

June 2, 2020

Dear ISG friends and families,

I hope this email finds you well, as we move into the summer season and the familiar Georgia heat. We would normally be fully immersed in the giggly and excited sounds of summer camp at this time, and though we miss our camp kids dearly, we are feeling optimistic as we welcome some of our team gymnasts back to the gym this week, and prepare to carefully open our doors to the wider community beginning on the 15th of June.

We are reopening our gym incrementally. In June we are welcoming our team gymnasts back into the gym, as well as beginning to offer limited Kids Club hours in place of our summer camp. We intend for our full competitive team to be fully engaged in training, while our social distancing and cleaning and disinfecting procedures are reviewed and refined. In July we will open a limited number of recreational classes. We will be posting stories and photos of our reopening, starting with our team kids coming back to the gym this week, so – follow us on [social media](#) to share in the excitement!

Intown Stars Summer Kids Club: [ISG's Kids Club program](#) is our ever-popular after-school enrichment program based on an in-depth Growth Mindset [curriculum](#). After careful consideration of our current health environment, we feel confident that we can provide the safety and protections needed in this smaller, more individualized Kids Club environment, with a maximum of 9 kids in each 3-hour Kids Club session.

As a working mother, it pains me that we cannot offer the usual level of reliable and flexible child-care that our summer camps have become known for over the last 7 years, especially for our front-line health care workers. But Kids Club will allow for us to provide SAFE child-care as we ease into reopening, and I look forward to introducing our wider community to this super cool program where our kids are always moving and always growing their minds with an enriching, empowering curriculum that has turned our after-school families into raving fans. We will have Kids Club available at our Grant Park location on June 15th and at our Decatur location on June 29th for rising 1st graders and older.

Here is the link to register for ISG's Kids Club at [Decatur](#) or [Grant Park](#). If you have any questions at all, please reach out to Kids Club Program Director, Dede Hill at deandra@intownstarsgymnastics.com. We look forward to welcoming you!

ISG Summer Camp Refunds/Credits: Parents who have made a payment for summer camp now have a credit on their account that will never expire. We are offering two options for families:

1. Apply the full credit towards any of our current or future programming including Summer Kids Club. This credit will not expire. When you are ready to register, simply let our Hospitality staff know that you want to apply your credit.
2. Request a refund, minus a 10% administrative fee. To request a refund please email Brittany Baker, COO, at Brittany@intownstarsgymnastics.com

ISG's Safety Protocols and Shutdown Procedures

We've designed a set of safety protocols based on the [CDC's Covid-19 guidelines for child-care centers, summer camps, and schools](#). We have also incorporated [USA Gymnastics Covid-19 Safety Guidelines](#) into our policies. You may view ISG's Safety Protocols [here](#) and our Shutdown Procedures [here](#).

We welcome you to arrange a time to tour the gym and see for yourself the strategies we are using to make sure kids have a great time and still stay safe. Please contact us at info@intownstarsgymnastics.com or call our Hospitality team at (404) 330-8898 to set up a tour. We want to do everything we can to help you make the best decision for you and your family.

Thank you for your support and patience while we reopen our doors to the community. Seeing the smiling faces of our team gymnasts as they walked into the doors of the gym this week for the first time in 80 days was truly a gift. And it made me supremely confident in our leadership team and coaching staff who are implementing our new procedures with care and professionalism.

Our Hospitality Team is now back up and running at the gym five days a week. If you have any questions, you can now email info@intownstarsgymnastics.com or call (404) 330-8988 and we will be able to respond within 48 hours.

I look forward to seeing you all again. It has been too long. Please be well and safe.

In gratitude,

A handwritten signature in black ink, appearing to read 'Anna Robinson', with a long horizontal line extending to the right.

Anna Robinson, M.S.
