NEW FACES at the GYM!

Our Intown Stars family is always growing and here are some new faces you may see in the gym. Please help them feel welcome!

Coach Samantha

Samantha is our new Preschool Department Leader! When she is not in the gym, she is a photographer and ultra runner and mother of three, one of whom just graduated from UGA!

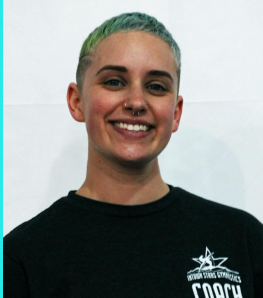

Coach Phoenix
Coach Phoenix

Crystele Milien

Crystele is the newest full-time member of our hospitality team and you may have seen her smiling face at the front desk welcoming you to the gym. She comes to us from New York City and loves helping others.

Coach Kristin
Coach Kristin

has been involved in gymnastics since she was 3 years old. She competed through Level 8 and began coaching after. She moved to

Atlanta to pursue a career in cosmetology and we are thrilled to have her!

grew up in South Carolina. She was a competitive gymnast through Level 10 and has been coaching for about 12

years. She is also a choreographer and gymnastics judge. We are thrilled to have her coaching our Xcel team!

Coach Jaelen

Coach Jaelen came to us from Florida. She has been coaching for about two years and is excited to work with our developmental teams. She will attend Oglethorpe University in the fall to study physics and engineering.

Dede Hill

Dede oversees our Kids Club after-school program. She comes to us from New York City and studied theatre and early childhood education at Savannah State University. When she is not helping our Kids Club students, she is a kindergarten teacher in Cobb County.

Big changes are coming!

The gym is closed May 20-24 for our work week and we are thrilled to announce that we will begin construction on an upper deck. The much-anticipated upper area will house our Kindergym classes, and a second floor for our Kids Club kids. There will also be additional seating for parent observation. Parents will be able to walk up and down using the stairs, but kids have the option of going back to their cubbies after class, down the slide! We are beyond excited to have the extra space to better serve you. The coaches are pretty excited about the slide, too.

PARKING LOT UPDATE: In addition to the upper deck, we are working to make big improvements to our parking lot. We have heard your concerns and want to assure you that we are with you 100 percent. We have been working behind the scenes for more than a year to make the parking lot safer and more efficient. We're getting very close to a solution with the involved parties, and are optimistic that changes are going to happen within the year. Stay Tuned!
